

PANTHER HDT FLUID

PRODUCT DESCRIPTION

Panther HDT Fluid is high performance power transmission fluid designed for automatic and power shift transmissions.

APPLICATION

Panther HDT Fluid is suitable for industrial applications such as drives, torque converters: Automotive gear boxes; Mobile hydraulic system; Heavy duty manual and power shift transmissions; Hydrostatic transmission.

PERFORMANCE STANDARDS

Meet following standards

- Denison HF-0 performance requirement
- APL GI-4
- Vickers M-2950-S

BENEFITS

- Efficient operations
- Reduces maintenance costs
- Extends coupling life
- Maintains correct shifting patterns
